

FACT

BENEFIT

Coils that mould to the contours of your body.

The Evolution Pocket Spring system's unique design allows each individual pocket coil to expand or compress around the shape of your body, creating a soft and comfortable "mould"

Heat-tempered coils for extra durability.

The sturdy Heat-tempered Coils are toughened to expand the life-span of the mattress and absorb motion, ensuring minimal to zero motion transfer to your sleeping partner.

No sagging edges - Perimeter edge support.

The border surrounding this mattress is made from a tough steel wire that ensure the mattress does not sag at the edges, reducing the body's tendency to roll.

No turn quality mattress.

Firm, reconstituted foam, high density foam and fibre make up the sleep surface area and provide a luxurious feel.

Allergy Free

This mattress is 100% odour free and contains zero chemicals that cause regular human allergies such as; sneezing or clogged up sinuses.

No turn quality mattress.

Firm, reconstituted foam, high density foam and fibre make up the sleep surface area and provide a luxurious feel.
