

# LYAN

Wake up ready to thrive with Lyan, designed for growth, vitality, and prosperity. Handcrafted to provide restorative sleep, Lyan helps you flourish each day. Believe in the Power of Sleep with the nurturing support of Lyan.

## coppercool foam technology

- ① Copper infused memory foam offers you superior comfort and a better quality sleep. Copper is naturally antimicrobial, anti-bacterial and assist with increased blood circulation. Enjoy less tossing and turning on this highly innovative feature.

## ③ DUAL FUSION HYBRID

With 50% foam and 50% Pocket springs, experience the best of both worlds with our Hybrid Lyan mattress. This unique combination ensures a perfect balance of contouring softness and sturdy, responsive support, creating the ultimate sleeping experience tailored to meet your every need.

## ② MICRO POCKET PLUSH

- ② With over 1,000 additional springs, our Micro Pocket technology delivers the luxurious support and comfort of plush pocket technology directly to the sleeping surface, ensuring maximum benefit and personalized comfort.

- ④ Our encapsulated Chiro Capsule design offers a 360 degree wrap around border encasement, providing an increased sleeping surface and edge to edge comfort & support.
