# Highlights

## Powerful Motor

With strong 650W powerful motor ensure powerful blending for your daily homemade meals

## Anti-Splash blade guard

The special wave shapes in the bottom part of the hand blender blending bar guarantees no splashes or mess while you blend

## Ergonomic design

The robust and ergonomic design offers convenience and ease of use for consumers

## ProMix technology

Developed together with the prestigious Stuttgart University, Philips ProMix is a unique, advanced technology that uses a specific triangular shape to create optimal food flow and maximum performance for faster and more consistent blending

## Single button release system

Easily attach and detach accessories for various functions with one press of a button.
